TOXIC HOUSEHOLD AND OUTDOOR PLANTS

THOSE KNOWN TO BE TOXIC TO ANIMALS

If you question the toxicity of a plant, call your avian veterinarian. If you believe that your bird has ingested a toxic substance, do call your avian vet. If you are unable to contact your vet, you can call:

The Poison Control Center at: 1-800-222-1222 (calling will put in you in touch with the poison control center in your state)

ASPCA Animal Poisin Control Center at: 888-426-4435

If your emergency involves pesticides specifically, call: 1-800-858-7378
